PART II: OVERVIEW AND PROPOSAL PREPARATION INSTRUCTIONS

A. Overview

Center of Workforce Innovations (CWI) as a 501(c)(3) and on behalf of the Northwest Indiana Workforce Board Inc. This project is funded through Workforce Innovation and Opportunity Act (WIOA). The programs, services, and activities shall be offered in the counties of Jasper, Lake, La Porte, Newton, Pulaski, Porter, and Starke in Northwest Indiana.

This project and the awardee/s will be required to incorporate-earn and learn activity into their project. The organization has flexibility on how the activity is defined and implemented but those that take into consideration in-demand occupations and/or certifications will receive higher points. Organizations may also work with established CWI partners as part of their projects but.

The funding available through this RFP ends October 31, 2022 and is approximately \$500,000. The number of providers, contracts, and funding levels will be at the complete discretion of CWI. 25% of funds should be used to target In-School Youth and 75% of funds should be used to target Out-of-School Youth. For the purpose of the RFP that means an individual who is:

In-School

1. Attending secondary school (as defined by State law);
2. Although the WIOA funding allows in-school youth to be age 14 but no older than age 21 (unless an individual with a disability who is attending school under State law) for this project the in-school youth age category will be 16 -21);
3. A low-income individual; and
4. One or more barriers as defined by WIOA.

Out-of-School

3. Other eligibility as defined by WIOA.

Information pertaining to Required Activities, Participant Eligibility and other regulations for WIOA can be found at <https://www.dol.gov/agencies/eta/youth/wioa-formula>

All Programs

The selected organizations(s) may have the flexibility to design, administer, and deliver a summer youth project for youth participants in any manner they deem appropriate within the constraints of the law, policies, and regulations and will be allowed to encourage innovative program designs that will meet the needs of customers.

B. Questions

Questions relating to this RFP may be submitted prior to deadline of January 31, 2022 to be made available to all interested candidates. Questions must be in writing and directed to Tamara Stump, tstump@cwicorp.com.

C. Certification upon Submission

By submission of this proposal, the proposer certifies that:

1. The costs in the proposal have been arrived at independently, without consultation, communication, or agreement with any other proposer (other than if a collaborative partnership is submitting a proposal together) or with any competitor for the purpose of restricting competition, as to any matter relating to such fees; and
2. No attempt has been made or will be made by the proposer to induce any other person or firm to submit a proposal for the purpose of limiting or restricting competition.

D. Responsive Proposals

To be considered responsive, proposals must meet the following minimum criteria:

1. A Letter of Intent to Propose must be e-mailed and received by 2:00 pm CST, January 27, 2022 to Tamara Stump at tstump@cwicorp.com. There is no required format for Letters of Intent but must specify the organization's name that will be submitting a proposal and the proposed organization for the delivery of summer youth project. If multiple organizations are submitting a proposal, all organizations within the partnership must be listed and sign off the letter of intent.
2. The proposal will be considered responsive if it has all appropriate electronic signature(s) and must be e-mailed to tstump@cwicorp.com with an incoming email or physical timestamp of 2:00 p.m. CST or earlier on February 17, 2022. The timely delivery of a proposal is entirely the responsibility of the proposer. Proposals received after the date and time will not be considered viable.

OR

- b. He/she **is not** the person in the proposer's organization responsible for the decision as to the costs being offered in the proposal; *however*, that he/she has been duly authorized in writing, with a copy attached, to act as agent for the persons legally responsible for such decisions, and certifies that such person(s) have not participated, and will not participate, in any action contrary to Certification upon Submission, Part II. C. 1) or 2) above.
4. Proposals must be presented according to the Proposal Format set forth under Part II., Section H and contain all requested information.
5. Providing incomplete or erroneous information or omitting important information could result in disqualification of the proposal or contract termination.

6. Acceptable proposals must meet the specifications contained in this RFP and the requirements of all applicable statutes, regulations, and policies. It is the proposers' responsibility to familiarize themselves with all applicable laws, regulations and policies. Proposers should use the relevant information available at the following website and clicking on About WIOA:

- <http://www.doleta.gov/WIOA> - U.S. Department of Labor's Employment and Training Administration (ETA) resource page with guidance and technical assistance tools.

E. Demonstrated Ability to Perform

CWI intends to make awards to organizations possessing the demonstrated ability to perform successfully under the terms and conditions of a contract. In evaluating demonstrated ability to perform, reviewers shall take into consideration such matters as to whether the organization has:

- Adequate financial resources or the ability to sustain them in regards to serving customers;
- Ability to meet the RFP design specifications at a reasonable cost;
- Ability to meet performance goals;
- Satisfactory record (must be validated) of past performance in delivering the proposed or similar services to the targeted demographic group, including demonstrated quality of services and successful outcome rates from past programs;
- Ability to provide services that can lead to the achievement of competency standards for customers with identified deficiencies;
- Satisfactory record of integrity, business ethics, and fiscal accountability;
- The necessary organization, experience, accounting and operational controls and technical skills to perform this work; and
- Expertise with the approved case management system or a plan to obtain functional capability upon contract award.

F. Selection Process and Contract Award

No changes, modifications, or additions to a proposal may be made by the proposing agency after the proposal deadline unless requested by staff. Proposals will be evaluated by Proposal Review Panel comprised of CWI staff and other preselected reviewers using a formal rating sheet. Each category of the rating sheet will be numerically evaluated based on proposer's responses to questions. Cost Effectiveness will be a factor in selection criteria. Proposers should not have any communications with the Proposal Reviewers, CWI staff or Board committee members regarding proposals, recommendations or any other issues related to the RFP process. Such communication will disqualify the Proposer.

Contracts may be awarded based on offers received, without discussion of such offers with the proposers. The Board reserves the right to request additional data, oral discussion, or presentation in support of written proposals at a pre-contract meeting.

Final award of a contract will be contingent upon: successful negotiation of an agreement; acceptance by the proposer of the contract agreement terms and conditions; satisfactory verification of past performance where applicable; acceptance by the proposer of responsibility for achievement of contract goals and objectives; and availability of funding.

G. Conditions of this RFP

The cost of developing proposals in response to this RFP is entirely the responsibility of the Proposer and shall not be chargeable to CWI/Northwest Indiana Workforce Board under any circumstances. CWI on behalf of The Northwest Indiana Workforce Board reserves the right to accept or reject any or all proposals submitted, to negotiate with all qualified bidders, or to cancel in part, or in its entirety, this RFP. Issuance of this RFP does not commit an award to contract, to pay any costs incurred in advance of the execution of a contract, or to procure or contract for goods and/or services.

The following conditions are applicable to all proposals. CWI reserves the right to:

- Waive informalities and minor irregularities in proposals received.
- Not fund part or all of a proposal even though it is found to be in the competitive range if, in the opinion of CWI, the services proposed are not needed, or the costs are higher than CWI finds reasonable in relation to overall funds available, or if past management concerns lead CWI to believe the bidder has undertaken more services than it can successfully provide.
- Negotiate any and all proposed costs, staffing levels, service/activity mix, geographical locations, and all other specifics.
- Request additional data, technical or price revisions, or to request oral presentations in support of the written proposal.
- Fund a lower-ranked proposal over a higher ranked proposal because of valid policy considerations.
- Conduct a pre-award review that may include, but is not limited to, a review of the proposer's record keeping procedures, management systems, accounting and administrative systems, training facilities, and training materials.
- Change specifications and modify contracts as necessary to facilitate compliance with the legislation, regulations, and policy directives; and to manage funding.
- End contract negotiations if acceptable progress, as determined by Board and staff, is not being made within a reasonable time frame.

PART III. FINANCIAL REQUIREMENTS

A. Capabilities

Proposers must be able to demonstrate the administrative and financial capability to effectively and efficiently deliver the services proposed. Administrative capability includes the ability to design and implement the proposed services, manage the delivery system, conduct self-monitoring for contract compliance, measure customer satisfaction, implement a continuous improvement model, achieve the contract objectives, provide quality service delivery, keep appropriate, auditable records, and meet performance standards. Proposers must also meet fiscal reporting requirements in accordance with Generally Accepted Accounting Practices (GAAP), and show evidence of continued financial stability.

B. Staff

CWI will only reimburse personnel costs for time actually worked, and reasonable vacation, sick leave and holidays as provided for in the proposing organization's personnel policies. No other paid leaves of absence will be reimbursed.

C. Cost and Price Analysis

All proposals will be evaluated on the basis of obtaining the most cost-effective price possible while achieving the highest quality service delivery. To accomplish this, CWI shall conduct a cost and price analysis on proposed costs during the proposal review process to ensure that the proposed costs are necessary, fair, and reasonable; to determine if the proposed costs are allowable and allocable; to determine if there is a duplication of costs with other programs; to ensure that the costs are directly associated with carrying out only the proposed services; and to ensure that the proposed costs will benefit the program.

D. Purchasing

Agencies awarded a contract under this RFP shall be required to follow the CWI's purchasing procedures or obtain approval to follow their own written procedures. If the proposer intends to procure equipment, materials, etc., from itself or an affiliated organization, it must be identified as such in the budget narrative and any profit generated from that transaction(s) must be identified in the proposal. At the discretion of CWI, all purchases with contract funds with a projected life span of over one year will remain the property of CWI. Leasing arrangements for property or staff must be competitively procured and approved during the negotiation of the contract.

E. Administration and Indirect Costs

The legislature intends for a maximum amount of funding to be used for direct client costs, therefore funding for administration is limited to 7%. CWI expects and encourages proposers to use their currently existing administrative structure at no additional cost to this service provision. Indirect costs (corporate

overhead) must be a documented and “reasonable” percentage or amount as calculated by your headquarters. All costs set forth in a contract are considered programmatic in nature, including those normally known as administrative. Indirect costs will be considered in the overall picture, keeping in mind that those dollars take away from services, resources and activities.

F. Funding Period

The funding period for contracts awarded under this grant will be April 1, 2022 and continue through October 31, 2022.

G. Contract and Payment Method

Contracts are negotiated on a cost reimbursement basis. Proposers are advised that any contract awarded under this RFP may be modified to incorporate legislative and policy changes, revisions to the program design, alterations of any services and activities provided or a reduction or increase in the amount of funding available.
